Light's Golden Jubilee

A World Wide Expression of Gratitude to

Thomas A. Edison

Rarely does a thankful people have the opportunity to demonstrate to a living man their appreciation of his gifts. LIGHT'S GOLDEN JUBILEE is a world tribute to Thomas Alva Edison for his invention of the first practical incandescent lamp.

So on October 21st the entire world will pay tribute to his genius. It is the fiftieth anniversary of his greatest invention—practical electric light. On the fiftieth birthday of modern lighting, let us express our gratitude to Thomas Alva Edison.
