A WISE MAN SAID---

"Have faith in your country, have faith in your business, have faith in yourself, work hard and don’t worry."

This is advice that all of us can well afford to follow. We have reached the corner and good times are just ahead. But to work hard you must keep your physical condition good and to help prevent worry this is also true.

An easy-and-pleasant way to build up a store of reserve vitality is to eat plenty of nourishing, pure GILT EDGE ICE CREAM. It’s a duty you owe yourself—but what a pleasant duty.
