GOING TO EUROPE?

Yes, there's a trend to American ships. Thousands have discovered in the last year that the LEVIATHAN, the MANHATTAN, and other United States Liners give them every privilege and every amenity any ship can provide—PLUS cuisine and service that appeals to Americans, and a language they understand. American ships are the sea-going expression of the American standard of living—the highest in the world.

Whether your destination is Ireland, England, France or Germany there's a United States Liner to take you there at the price to fit your budget.

The ships that fly your own flag seek no favor—ask only that you investigate what they offer. Americans are quick to recognize value.
