The University of Oklahoma needs $600,000 pledged in War Bonds by June 12 to "buy" a B-29 Super Flying Fortress for the armed forces. You can help by buying extra bonds through the O.U. B-29 Committee, in care of the Alumni Office, University of Oklahoma, Norman, Oklahoma. No matter what county you live in, your county gets credit on its quota for your bond purchases. But you can also apply your purchases of E, F, or G bonds on the University's B-29 goal by sending receipts properly filled out to the Alumni Office.
