The First Book FREE

A special offer—see reason for it below

GREAT many people (we know) have been on the verge of joining the Book-of-the-Month Club, but have neglected to do so largely through oversight. This special offer is made, frankly, to overcome this procrastination by making it worth while for you not to delay longer. We suggest simply that you get full information at once about what the Book-of-the-Month Club does for you, and then decide once and for all whether you want to join. The mere fact that more than 100,000 judicious book-readers already belong to the organization—that they represent the elite of the land in every profession and every walk of life—that not a single one was induced to join by a salesman or by personal solicitation of any kind, but did so after simply reading the facts about what the Club does for book-readers—all these are indications that it is worth your while at least to get these facts as quickly as possible, and then (if you want to) join and get your first book free. You assume no obligation in sending the coupon below for full information.

Six distinguished foreign authors now serve as an International Advisory Committee for the Book-of-the-Month Club. The function the individuals in this foreign group perform is to keep our judges advised about what they consider the significant new books published abroad, each in his own country. The Committee consists of:

FOR ENGLAND:
H. G. Wells
and
Arnold Bennett
FOR FRANCE:
André Maurois

FOR GERMANY AND AUSTRIA:
Thomas Mann
and
Arthur Schnitzler

FOR SCandinavia:

NOW, after two years of investigation and preparation, TIME, Inc., announces the publication on January 25th of a de luxe monthly magazine. Its subject is Business. Its purpose is to reflect Industrial Life in ink and paper and word and picture as the finest skyscraper reflects it in stone and steel and architecture.

The magazine's name is FORTUNE, since it deals with the factors which control the fortunes of every man. Its price is $10 the year.

Business takes FORTUNE to the tip of the wing of the airplane and through the depths of the ocean along be-barnacled cables. It forces FORTUNE to peer into dazzling furnaces and into the faces of bankers. FORTUNE must follow the chemist to the brink of worlds newer than Columbus found and it must jog with freight cars across Nevada's desert. Fortune is involved in the fashions of flappers and in glass made from sand. It is packed in millions of cans and saluted by Boards of Directors on the pinnacles of skyscrapers. Mountains diminish, rivers change their course, and thirty million people assemble nightly at the cinema.

Into all these matters FORTUNE will inquire with unbridled curiosity. And, above all, FORTUNE will make its discoveries clear, coherent, vivid, so that the reading of it may be one of the keenest pleasures in the life of every subscriber.

The first number of FORTUNE will be sent only to Original Subscribers in the order of application. Subscription orders ($10 the year) should be sent to TIME, Inc., Subscription Department, 350 East 22nd Street, Chicago, Illinois. Mailed promptly, the order form below will enroll you as an Original Subscriber.
