Class Reunions June 8

Write Your Classmates and Mark the Calendar for It Won't Be Long Now Until Meeting Day

Alumni have a cordial invitation to bring relatives or friends with them to the reunion. In fact, any alumni, regardless of whether they are officially members of the reunion classes, are invited to attend as members of any class are sure to find friends and acquaintances in the eight reunion classes.

Arrangements for the radio broadcast, to be held during the afternoon, are in the hands of Joe W. Lee, '31ba, manager of radio station KGOU at Shawnee and member of the board of directors of Oklahoma Network, Inc.

Sunday, June 8, is the day of the annual baccalaureate service, to be held in the Fieldhouse, and University spring commencement exercises will be held the morning of the following day.
