Solving Sooner Employment Needs

Don't Remain Unknown

The association office will be glad to assist you in locating classmates whose addresses are unknown. Address your letter to the person whom you desire to reach, in care of the University of Oklahoma Association, Norman, Oklahoma, with the notice 'please forward.' This office will forward promptly all such mail to the last known address. A strenuous effort is being made to keep our address records current. You can help by notifying the association office promptly of any permanent change in your address, or of other Sooners who move into or out of your community.

More Life Members
