Pro也许 tuberculosis的the first major school in the na-

tion to finish a full season of 1943 spring

football training, Oklahoma will have foot-

ball next fall as she did back in 1918, bar-

ring unforeseen wartime complications.

Coach Dewey "Snorter" Luster’s Soon-

ers just completed a six-weeks training pe-

riod during which they played four

matched games.

Several of the boys in the recent spring
drills won’t be around next fall, including

Eddie Davis, 200-pound junior spinner
back who was the backfield star of Luster’s

1943 exercises, and Jim Tyree, veteran jun-

ior end. Davis and Tyree are in advanced

R.O.T.C. here and probably will go to in-
doctrination camps in July, but will each

have another season of competition after

the war.

Among the letter backs who may be back
next fall are Juniors Myrtle Greathouse and

Son Wright, Marine reserves, Boone Baker,

junior in Naval R.O.T.C., and Pete Caw-
