BUY WAR BONDS

For allof us have the tough job of making sure that our American boys in our Army and Navy are supplied with all the materials and ammunition that they need to win the war. It is up to each one of us to do our part to see that we give our boys in our Army and Navy what they need to 'keep 'em rolling' on the battlefield.

It takes millions of troops and millions of tons of materials needed to win the war. And it takes all of us, as one United States, to do our part to 'keep 'em rolling' all the way to victory.

We'll-get-'em-through' together and 'keep 'em rolling' together, and we'll-'keep 'em rolling' through the Santa Fe.

Yet—he is only one of more than 60,000 employes on the Santa Fe.

And they never forget that we-'keep 'em rolling' together. They are the Santa Fe.
