Hospitality is more than a mannerism. Some people have an indefinable ability to make you feel glad you have come — from the moment you step inside the doors. Kerr's has earnestly tried to be this kind of store through a quarter-century of helping people and homes possess the kind of things worth possessing.

"MY BANK"
AND COMPANY
303 Hightower Building

That is what four generations of Oklahomans call The First National. Since its founding, April 22, 1889, the First National Bank and Trust Company has sought to provide that degree of dependable banking service and intimate friendly spirit that prompts its patrons to proudly refer to it as "MY BANK."

In many Oklahoma families we have served the financial needs of four generations. We invite new accounts upon this record of service.
