DECEMBER, 1949

We must take time here to pay tribute to two members of the class who are no longer living. Randell Cobb, LL.B., 1919, was an able and faithful servant of the public until his untimely death in May, 1948. His work on the staff of the State Attorney General should long be remembered. Kenneth Kaufman, M.A., 1919, was a member of the University faculty from February, 1928, until his death in April, 1945. Kaufman Hall on the campus is a monument to the impression that his work made at the University.

We must mention briefly three persons who were connected with the University for a time but are now active elsewhere: Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere; Fred Lyman Tibbits, M.A., 1919, and Paul Eldridge and Ray Six, both of whom received the B.A. degree, are now active elsewhere.

For instance, actives and alumni were the backbone of Senior commencement in 1948. Jim Thomas, our first chapter president, was chairman of Senior Day activities; alum Joe Small, was speaker at the senior luncheon; alum Dave Fields, vice president of the Flint Steel Company of Tulsa, was speaker at the Engineer Awards Assembly; and "Dusty" Dilley, editor of the Tomahawk, our fraternity's national magazine, spoke at the Greek Amphitheater awards assembly; and, finally, the active chapter assisted the Tri Delta sorority in staging the Senior Class Show.

Nationally prominent alumni include Vern Meyers, executive assistant publisher of Look magazine, Joyce Swan, publisher, Minneapolis Star and Tribune, Ed Jeffries, mayor of Detroit; head football coaches at Michigan and Illinois; lieutenant governor of Ohio; president of the Standard Oil Company of California, and many other equally outstanding men.

Actively engaged in campus activities since being reactivated following the war in 1948, the Alpha Sigs have taken their place among the leaders on the campus.

Athletically we have gone into the playoffs in all intramural sports: football, basketball, and softball.

In November of 1948 the chapter was awarded a bronze cup for winning first place in a School Spirit contest sponsored by the Red-Nix pep club.

Earlier in the year the fraternity's national office presented the editor of our chapter newspaper a plaque for having the best all-around paper in the United States.

A brawny six-footer, West looks more like an All-American tackle than the traditional, though erroneous, concept of a frail artist. There is nothing namby-pamby about the man or his pictures. He paints with a bold sureness, and a fine color-sense that makes his pictures vibrantly alive.

West, who captained the football team during his undergraduate days at Haskell Institute, served in the navy during the war, working his way up from an enlisted man to lieutenant senior grade on "baby flat-top carriers." He is married and the father of two husky boys. Richard, 6, and Jimmie, 3, are learning the dances, legends and tribal lore of their father's people along with the Anglo-American culture and musicianship of their attractive blond mother. She was Mary Belle McRea, born in China, daughter of a missionary to the Chinese.
