Cushing Club Rates Salute

Under the direction of A. B. Imel, '14ba, and other club leaders, Cushing staged a fine membership drive and memorable banquet.

On the night of February 24, more than 80 people gathered in Cushing to end a two-week campaign, and to enjoy a family dinner. In a community where active membership in the University of Oklahoma Alumni Association was already high, campaign committee members sold 22 annual memberships and 4 life memberships. The result, Cushing now has 80 active alumni memberships and 4 life memberships. In a brief business session, new officers were elected (see above).

Presentation of life membership certificates was made at the banquet. The program included brief talks by footballers Buddy Leake and Carl Allison and a showing of the O.U. Album film. In a brief business session, new officers were elected (see above).

The Sooner Magazine salutes the Cushing alumni for their enthusiasm for their alma mater and the fine display of Sooner Spirit that was present at their meeting.
