Virginia Ivy, '41ba, '41ms, is teaching music in the junior highschool at Duncan.

Words Made a Difference

'10 Years Ago

Faces were slightly red around the Alumni offices. A routine letter had been dispatched to a woman thanking her for filling in and returning a biographical form. Presently the lady returned the letter with a note at the bottom asking, "What? Did I really supply some inside information?" It seems the typist had misspelled "biographical"—it turned out "biological."

Women's Counselor Margaret Stephen-son also had a little trouble with letters. A girl wrote her from Tulsa saying, "I understand that you have some kind of publication rating the sorority chapters on the basis of social prestige, wealth and size, and I would like to get a copy."

Dewey "Snorter" Luster, '22ba, '22Law, resigned as backfield coach at the University and became a coach with the New York Giants professional football team. He was placed in charge of the Giant's backs and quarterbacks. "Snorter" is now back in Norman as associate professor of intramural athletics.
