A Surplus Existed

10 Years Ago

Fall of 1940 saw the formal opening of a new museum on the University campus—a museum of classical antiquities. Dr. O. W. Reimuth, professor of classical languages, assembled more than 125 Greek, Roman and Egyptian items for the showplace. Most valuable piece in the collection was an Italian war helmet dating back to 215 BC. It was found in Cannae, on the field where Hannibal once inflicted a severe defeat upon the Romans. The collection also included ancient jewelry, mirrors, glassware and papyrus documents.

Edwin Fast, '41ms, '46ph.d, was selected as the first recipient of the Halliburton industrial research fellowship at the University. A study was made of spectrum analysis of brines and similar solutions for correlation with underground structures. Fast is a research physicist in Baton Rouge.

In the September 1940 Sooner Magazine: "The University of Oklahoma contributed $85,615 to Governor Leon C. Phillips' economy program by leaving untouched that much of its $1,261,870 appropriation for the last fiscal year." Maybe the University could take it now.

The 1940 Sooner Magazine received honorable mention for its coverage of Sooner sports and honorable mention for its letters department at the annual Alumni magazine contest conducted by the American Alumni Council. Roscoe Cate, '20bs, now vice president of the University, was editor-manager of the 1940 Sooner, and Harold Keith, '29bs, '39ma, director of University sports publicity, was sports editor.

Patricia A. Wilson, '50bs, is teaching home economics at Seiling.

Jacob Willis Flick, '50m.mus.ed, is a music instructor at Central State College, Edmond.

Frank E. Gardiner, '50bs, is an English instructor and guidance counselor at Ardmore.
