Salary Increases to O.U. Faculty

The Board of Regents for the University in a February meeting approved raises for the teaching faculty totaling $40,000 for the remainder of the current school year, Dr. George L. Cross, president, announced today.

This amounts to an increase of approximately $1,000 per year in the University faculty payroll.

The Regents also conferred with Tom Sorey, of the Sorey, Hill and Sorey firm of architects concerning the women's dormitory which is to be built on the campus. The plans were approved with the understanding that the dormitory could be built at the cost estimated.

Regents approved conversion of two war dormitories of the Woodrow Wilson center group into small dormitories for war veterans.

They deferred final decision on the construction of new apartment dormitories for married war veterans pending further study of the financial possibilities.

The Regents also authorized University officials to make an offer on additional land to the south of the campus.

Routine appointments and resignations and other changes in personnel were approved by the Regents as follows:
