Dr. J. J. Gable, '15med, assistant superintendent of the Central State Hospital at Norman, tells us he has no news, but admits that he has given up golfing as a hobby in order to spend his spare time at running a farm near Norman. (He once ranked among the top golfers in Norman.)
Incidentally, he and Mrs. Gable, (Alice Heron, '22), are proud of the Gable boys who are now in the University. Jack earned 17 hours of A grades in tough pre-med courses last semester, and Brother Tom earned 11 hours of A.
