For the last two years, Mr. Pettit has been head of the publicity department for the Mercantile National Bank at Dallas, Texas.

Here Are Two Other Community Services - -

- The Short Courses and Conferences department of the University of Oklahoma Extension Division offers courses and conferences for public officials, teachers, civic groups, business men, students, and cultural and religious organizations. Outstanding authorities in many fields are brought to the campus by the University to enrich these courses. The spacious Extension Study Center houses and provides conference rooms for participants in these activities.

- The Family Life Institute serves parents, young people, parent-teacher groups, teachers, women's clubs and civic and religious organizations all over the state. This work is done through conferences and meetings; through the Family Life Radio Forum, a series of weekly broadcasts from October to April; through parents booklists and numerous publications, and through consultations.
