NEW HOME OF ALPHAOMICRON PI AT LINDSEY STREET AND CHAUTAUQUA AVENUE

Alpha Omicron Pi fraternity has begun building this beautiful fraternity house at the corner of Lindsey street and Chautauqua avenue. It will be in the Italian style and will represent an investment of $65,000. It will provide accommodations for thirty women. The lot is 110 by 140 feet and the building will be of light buff brick with colored tile roof. The A. O. Pi house is the fartherest south house in the new fraternity district. The building committee consists of Mrs. Warren Edaurds, '23, Oklahoma City, Mrs. William Lowry, ex-'28, Oklahoma City, and Mrs. Faye Newby, ex-'22, Oklahoma City. The Musgrave Construction Co., Oklahoma City, is the builder.

Unusual Success Attends Sooners in Sports

By Jack Stone, '30

LOSE of the spring season found the Sooners resting well up the sports ladder of the Big Six conference.

A check of records made this year shows that Oklahoma finished second in outdoor track, after winning the conference indoor track championship earlier in the season for the third consecutive year. After a rather disastrous road trip on which the Sooners lost four and won two games, Coach "Jap" Haskell's squad came home in fourth place in the conference baseball standings.

At the conference tennis tournament held at Ames, Iowa, Lowe Runkle was runner-up in the singles and Captain Henry Browne and Harold Thurman were runners-up in the conference doubles championship. In dual meets all the conference teams were trimmed by the Sooners, and one non-conference match was lost and one tied.

The spring showing climaxéd a fall and winter program in which Oklahoma made an unusual record. A 14 to 0 Thanksgiving day victory over Missouri pulled the Sooners up into a tie for second place in the conference football standings. Coach Paul Keen's wrestling squad wound up in second place in the conference race and finished third at the national meet, bringing home one national championship and two second place medals.

As in 1928, Coach Hugh V. McDermott's great basketball team swept through the conference without a single defeat.

The Sooner polo squad was victorious 7 to 0 in the only conference match of the season with Missouri. The Oklahomans previously had defeated Arizona and lost to New Mexico Military Institute.

The Big Six baseball conference standing as of May 22 follows:

First Ph. D. Granted

A woman won the first doctor of philosophy degree ever granted by the University of Oklahoma. She is Mary Jane Brown, assistant professor of biology at Oklahoma College for Women. On May 24, in the Oklahoma Union building, she took the final examination that resulted in granting the degree. Prof. Robert K. Nabours of Kansas State Agricultural college, was the visiting member of the faculty examining committee, which consisted of eight university faculty members.
