Help America Conserve Sugar!

Indulge Your Sweet Tooth with Nu-Crest Corn Syrup

Yes, you can help America conserve badly needed sugar by substituting Corn Syrup for sugar in your cooking and baking and by serving on your table with pancakes, biscuits or bread. At the same time you will be helping the family health and the family budget. Corn Syrup being composed largely of Dextrose, and Maltose, is more easily digested than many other popular sweets and you can check the economy angle yourself by purchasing a five- or ten-pound jar and testing it on the family table.

Available in Three Delicious Flavors

* NU-CREST GOLDEN SYRUP Delicious with the flavor of Old Fashioned Brown Sugar. Everyone enjoys its rich golden goodness.

* NU-CREST CRYSTAL WHITE SYRUP Crystal clear corn syrup sweetened with refined cane sugar. Perfect for baking or for table use.

* NU-CREST WAFFLE SYRUP A delicious new blend of maple-flavored syrup. You will enjoy its stronger, sweeter maple flavored goodness on waffles, hot cakes and biscuits.

NU-CREST CORN SYRUP is packed in attractive Dura-Glass packages which permit you to place your syrup on the table in the original container and serve from it. NU-CREST CORN SYRUP has been accepted by the Committee on Foods of the American Medical Society.

When you do your grocery shopping next time, be sure to have NU-CREST CORN SYRUP on your list. Available at your independent grocers.
