Riding the Sooner Range

By Ted Beard
...and those double-fisted workers of Caddo County! (Yes, they had been planning the November 15th shindig for months, and they really had spent in the interests of the University proper. MERLE WOODS, Executive Board member from El Reno, was there to add his weight to the program. He is a man who has heard the bugle call to Anadarko because they have such interesting assemblies) consisted of C. O. HUNT, J. F. MADDOX, and a host of others. ROBERT C. HUMPHREY, 371aw, R. W. HUFF, 371aw, and CHARLES H. DOUGLASS, 371aw, and Dr. J. W. HENRY, 171pharm, 2011, who first entered the University in 1904 and was the oldest graduate student. Betty's birthday party in the University Dads' Association in his section of the state) were there in all their glory displaying a very, very keen interest in the university and how their children were doing in the University at the present time pursuing their professional training. They should be especially proud of Miss ARTHUR HECK, a senior in College of Business; Phyllis Markley, senior in College of Education; Billye Beth Robinson, senior in College of Arts and Sciences; Frances Fisher, Lucie Jane Clark and Sybil Leslie, all Arts and Science seniors; Rosaline Goldenstern, sophomore in College of Education; Billye Beth Robinson, senior in the College of Fine Arts; Theatrus Greason, Arts and Science senior; Joe Breaune, student.

...and to make new friends and additional "how-do-you-dos" with old friends and acquaintances. The Norman delegation (Yes, they always formed marvelous services as the secretary to Dean Momert of the Law School, and we proffer for her a brilliant future in her chosen field of Law) were much in evidence. Doe's the boy who took "hired-hand" as a "filler"). Other Sooners and "hired-hand"
