The gentleman on the other end of the Southwestern Bell connection is AL DRAKE, '28bus, who came to O. U. from his home town in Tecumseh some years ago and is at present Missouri state manager for the Southwestern Bell. ‘28bus and Mrs. Drake have a high and rising two and a half-year-old the R. It is really a treat to see you again George and to rehash Sooner news! The George in this case was GEORGE CHRISTMAS, '28, of St. Paul, Minnesota, his brother, who was a member of the Class of 1928. He, too, is a charmer. We were glad to receive this call and hope that we will hear from him again.

And—usually it seems that in all communities and cities of the country the O. U. crowd stands out in various fields. George told me quite in detail of the marvelous record in surgery that Dr. T. W. BERRY, '25 from San Francisco, has been accomplishing in his advertising business, that he has been fortunate in handling the publicity material for the past three successful mayors for the City of St. Paul and while during this "electing" sponsored the publicity for several minor offices such as sheriff and others.

But Sooner greetings and exchange of yarns must end here. We shall see you all again in Salt Lake City—and more Sooner! ...
