University of Oklahoma Alumni Club Directory

The Alumni Club directory of the University of Oklahoma (Alumni) Association is included in Sooner Magazine for the first time this month. These groups have been staging social meetings throughout the past months so that any and all Sooners in their respective areas might have an opportunity of meeting old friends and renewing acquaintances plus a chance of gathering to hear of their Alma Mater and aid through interest the progressive development of their Alumni Association and the University.

The Alumni Office has received many inquiries concerning persons to contact in various localities about club activities. It is hoped that this directory will aid in rapid contact.

If you are within a 50-mile-radius of anyone of the clubs, drop a note to one of the officers and they in turn will inform you of pending club meetings. Any Alumnus may be sure that he will be warmly greeted by his fellow Alumni.

More clubs are being activated monthly and for an up-to-date report this directory will be carried monthly in Sooner Magazine.
