Seven alumni last month were announced as winners of eight decorations for heroism in action on eastern and western battlefronts.

Lt. Roy Gilbert Johnson, '39-'40, Oklahoma City, received the Air Medal and an Oak Leaf Cluster for action over Europe and Africa as pilot of a Flying Fortress. He was transferred to England in June, 1942, and later on the North Africa. His younger brother, Pvt. Herbert Johnson, '42 bus, is on duty in Australia.

Maj. Lloyd Lockett, '41 ba, Norman, was recently awarded the Order of the Purple Heart for wounds received in action with troops in North Africa. He was stationed with the Field Artillery at Fort Bragg, North Carolina, before going on foreign duty.

Lt. Virgil E. Hope, '37-'38, Maysville, was awarded the Air Medal for heroism in action in North Africa.

Lt. Gene Neville, '35, Oklahoma City flyer who was killed September 26, 1942, in a raid over France, was awarded the Purple Heart posthumously. Shortly before he was killed Lieutenant Neville transferred from the Royal Air Force Eagle Squadron to the American Army Air Force. His mother, Mrs. E. B. Neville, has learned that he was buried at Brest, France, in a military ceremony.

Lt. Russell H. Walker, '32 med, Bartlesville, Navy physician attached to a Marine Corps unit in the South Pacific, received the Silver Star for heroism under fire on Guadalcanal last October. He risked his personal safety to rescue a wounded Marine private and carry him to a first aid station. A member of the Navy Medical Corps since 1937, Lieutenant Walker has been stationed in Washington, D.C., San Diego, California, Shanghai and the Philippines.

Lt. Jack N. Rivers, '36 bus, Oklahoma City, bombardier on a bomber, was awarded the Air Medal for his fighting record from April, 1942, to January, 1943, in Australia and islands to the north. A member of Sigma Nu fraternity, Lieutenant Rivers was cited for meritorious achievement.

Lt. Robert Ecton, '42 law, Oklahoma City, was awarded the Order of the Purple Heart for wounds received in killing his first Japanese soldier in hand-to-hand fighting on Guadalcanal. Lieutenant Ecton was in a foxhole when he heard someone moving around above him. In answer to his query, "Who's there?" he received a bayonet jab in the hand, whereupon he went into action with his gun.

Killed in Service

Lt. Tom M. Boyd, '42 eng, Norman, died April 20 of accidental gunshot wounds at Camp Swift, Texas, where he was stationed in the Army Ordnance division. An outstanding student throughout his University career, Lieutenant Boyd was a member of Phi Eta Sigma scholastic fraternity for freshmen, Tau Beta Pi engineering fraternity, Pi Tau Sigma mechanical engineering fraternity, Po-et and the American Society of Mechanical Engineers.

He was named the outstanding freshman of his R.O.T.C. class, outstanding engineering senior for 1941-42 and Ballard's Dan Award winner in 1941. Survivors include his mother Mrs. T. M. Boyd (Irlene Renfrow, '17), a brother, Dick Boyd, '43 eng, and a sister, Mary Ellen Boyd, a senior in the College of Arts and Sciences, all of Norman. His father was the late Dr. Thomas M. Boyd, '17 med, a Norman physician.

Lt. Robert F. Wadlin, '40-'41, Tulsa, was reported killed in action with the Army Air Force in the South Pacific on April 15. Shortly before his death, Lieutenant Wadlin received the Air Medal for his part in a raid on Japanese-held Wake Island. He was a former engineering student in the University and a pledge to Phi Gamma Delta fraternity. Survivors include his parents, Dr. and Mrs. John A. Wadlin of Tulsa.

Aviation Cadet Don Jones, '42 ba, Bartlesville, former Sooner basketball player, was killed in the crash of an Army training plane near Perrin Field, Texas, on April 15. He entered the Army Air Force soon after graduation last year. Survivors include his parents, Mr. and Mrs. W. W. Jones, Bartlesville; his wife, the former Helen Richardson of Bartlesville; three brothers, Lt. (jg) Roy Jones, '37 ph ed, in California with the Navy; EnsBill Jones, '40 bus, with the fleet in the Atlantic, and Charles Jones, '34 bus, Borger, Texas; and a sister, Mrs. George Bunn, Jr., (Alberta Jones, '39 ed) of San Antonio, Texas. Lt. Robert Lee McReynolds, '36-'40, Mangum, was killed April 7 in a plane crash west of Hondo, Texas, where he was stationed at the Air Force Navigation School. A former student in the College of Engineering, Lieutenant McReynolds enlisted in the Air Force in May, 1942, and received his commission at Pampa, Texas, last February. Survivors include his parents, Mr. and Mrs. J. B. McReynolds of Mangum, and a sister, Mrs. Kenneth Crook (Mildred McReynolds, '36 ba) of Norman.

Missing in Action

Carl S. Dalbey, Jr., '40, Oklahoma City, chief radio officer on a Merchant Marine ship in the Atlantic and survivor of two ship casualties, was reported missing in action in April. Last year Mr. Dalbey's ship was torpedoed by an enemy submarine and he drifted on the Atlantic in an open boat for 32 days before being picked up. On a later trip his ship was rammed accidentally and forced to return to port.

He put out to sea on his third ship shortly after he and his mother, Mrs. Carl Dalbey of Oklahoma City, were honored as guests of Mrs. Roosevelt in the White House. No details were released about the latest action, but it was conjectured that Mr. Dalbey's ship was part of the convoy which had a five-day running fight with German submarines.

Three alumni serving with the Army Air Force in North Africa were reported missing in action which took place in April. Included are Lt. Harold Wood, '38-'41, Lexington, former engineering student in the University; Capt. Walter N. Smiley, '37-'41, Owensboro, Kentucky, winner of the Oak Leaf Cluster; and Staff Sgt. Norris Dean Dickey, '28-'30, Perkins, nose gunner in a bomber and winner of the Air Medal and Oak Leaf Cluster. Sergeant Dickey enlisted in the Army the day after Pearl Harbor in Seattle, Washington, where he was employed at that time.

Prisoners of War

Capt. Charles T. Moore, '41, Oklahoma City, previously reported missing in action, was believed to be a prisoner of the Italians after his wife, Mrs. Elaine Moore, received
conflicting reports about his capture. The captain's Air Force comrades notified Mrs. Moore that his plane was last seen dropping out of formation over Naples during a bombing raid. They surmised he made a safe landing and was then taken prisoner.

Later Mrs. Moore identified her husband as one of a group of prisoners the Italians claim to have captured in Tunisia. She believes the latter to be propaganda to cover up the fact that Italian territory has been bombed. Captain Moore holds the Distinguished Flying Cross, the Air Medal and an Oak Leaf Cluster.

Lt. Gertrude L. Cockrell Jr., ’40geoil, Tulsa, who was previously reported missing in action in North Africa, has been officially announced as a prisoner of the Germans. He landed with troops at Oran last December.

Other alumni taken prisoner by the enemy are five Sooners who were trapped in the Philippines and have been confined in Japanese concentration camps.

Injured in Service

Edwin H. Burba, ’33bus, McAlester, recently promoted to lieutenant colonel in North Africa, was wounded in April when bomb fragments struck his wrist. The wounds were described as comparatively slight. He escaped further injury when other bomb fragments were deflected from his body by a compass in his jacket pocket and a camera hanging around his neck.

Maj. Jay Sherman, ’25-29, Lexington, of the Field Artillery, was reported injured in battle in North Africa. He was stationed in England before his transfer.

Lt. Wesley W. Harris, ’37bus, Oklahoma City, was injured recently in the crash near Big Springs, Texas, of an Army training plane based at Ellington Field near Houston. The pilot was killed in the accident. Lieutenant Harris was an Oklahoma City accountant before entering the Army Air Force.

Flying Nurse

Lt. Dorothy Barlow, ’41nurse, Sapulpa, was assigned to duty as flight nurse with U.S. troops on foreign service. As a member of the new Flying Nurses Evacuation Corps, she will fly wounded from battlefronts.

Over a national network on May 8 reported that Capt. Dick L. Downing, ’14-15, ’24-26, Norman, was the first U.S. soldier into Bizerte after the fall of that last Nazi stronghold. A member of the Signal Corps, Capt. Downing was reportedly to have driven a jeep into the captured city.

Capt. Robert I. Morrison, ’28-32, Oklahoma City, was one of the first U.S. soldiers to reach Gabes after the American and British armies met in Tunisia. Remarkable on the quantity of equipment the British Army displayed, Capt. Morrison said, "I think the Eighth Army has a beautiful lot of stuff. It is really encouraging to see it all."

Gift Reveals Station

Arrival in Tulsa of a pair of Algerian salt and pepper shakers revealed that Lt. Col. Harry L. S. Halley, ’17law, district judge from Tulsa on leave for Army duty, was stationed in North Africa. Colonel Halley sent the shakers to a friend who collects them.

He later wrote that he had visited Casablanca, site of the historic Roosevelt-Churchill conference.

Ranks High With Engineers

An unusual record of rapid advancement in the Corps of Engineers belongs to Edmund M. Fry, ’38eng, McAlester, who became a lieutenant colonel early this year at the age of 26. He received the promotion while taking advanced training at Fort Belvoir, Virginia. In April he was on desert maneuvers as commanding officer of a battalion.

Colonel Fry has been in the Army since his graduation, having entered the Corps of Engineers as a second lieutenant on an honor appointment. In May, 1940, while on Louisiana-Texas maneuvers, he received public congratulations from Gen. Walter Krueger for the excellence of his work. Mrs. Fry is the former Miss Helen Lancaster of San Antonio, Texas. The couple have one son, Edmund Mortimer Fry III, one year old.

Surprise Sub Sunk

Ocean shipping lanes last month were less one enemy submarine thanks to the skill and quick thinking of Lt. (jg) Herman G. Hilton, ’35m.ed, Oklahoma City, and his gun crew aboard a Merchant Marine ship.

During an abandon-ship drill held one day out of port, an enemy submarine conveniently appeared just as though it were part of the routine practice. Lieutenant Hilton ordered his gun crews into action, three rounds were fired at the sub and a direct hit was scored.

Posthumous Award

Presentation of a Distinguished Service Cross awarded posthumously to Lt. Marshall Anderson, ’37, first Oklahoma City soldier killed in the war, was made to the flyer's mother, Mrs. Roy R. Anderson, late in April at the Oklahoma City Air Depot.

Lieutenant Anderson won the cross for heroic action on Bataan in January, 1942, two days before he was killed.

Pilot's Toll Increases

Lt. Dugan Woodring, ’36-38, Noble, fighter pilot, continued last month to figure prominently in news stories from the New Guinea battlefront as one of the pilots with a high toll of destruction against the enemy in that sector. Lieutenant Woodring has won the Silver Star, the Distinguished Flying Cross and the Air Medal.

Flier Has Many Talents

Capt. Julian Jacobi, ’38-40, Marietta, Air Force pilot stationed in Hawaii, has survived several dangerous aerial exploits to become known as one of the most daring pilots on the island and one of the best amateur cooks anywhere in the region.

One of his most talked-of feats occurred when his plane crashed, aflame like a torch, and he escaped with a badly burned arm. Another favorite is the time he negotiated a landing on a tiny island entirely surrounded by mountains, in weather which cut visibility to zero.

Aside from his flying, Captain Jacobi holds several executive positions with the Air Force in Hawaii. His extra-curricular skill in the kitchen makes him the favorite host of most of the other U.S. Army men on the island. A feature story about Captain Jacobi written by Ernie Hoberrecht, ’41journ, Army correspondent in Hawaii, recently appeared in the Daily Oklahoman.

Home on Visit

Lt. T. Hillas Eskridge, ’38-42, Elmore City, was on leave in Oklahoma in April recuperating from injuries received in the
North African fighting. He suffered a broken arm and a punctured ear drum in a bomb explosion. While on leave, the lieutenant spent several days on the campus where he was, the former Martha Speer, was attending the University.

Adds Zero to Score

Lt. Joe Griffin, '38-'40, Pauls Valley, was pilot of one of the Warhawks which downed from seven to fourteen Zeros and chased the rest of a flight of thirty away in action over Hunan Province in China. Lieutenant Griffin accounted for one of the Japanese planes known to have been shot down.

Churchill's Guests

Guests at a private showing of motion pictures of battle scenes at the country home of Prime Minister and Mrs. Winston Churchill this spring included Maj. Lee Gilstrap, '19-'20, and Capt. Bill Harrison, '37law, both of Oklahoma City.

Along with another Oklahoma City officer, Maj. Gen. W. S. Key, they were the only Americans at the gathering which also included the Duke and Duchess of Marlborough and Lord Mountbatten.

Promotions

Three new lieutenant colonels are numbered among Sooners in the service recently promoted. They are Lt. Col. Max G. Morgan, '37law, former Oklahoma City attorney now with the Field Artillery at Fort Sill; Lt. Col. Merton E. Munson, '31law, with the Field Artillery at Camp Barkeley, Texas, and Lt. Col. E. H. (Bud) Larecy, '26, former Oklahoma C.C.C. official, at Fort Lewis, Washington.

Eight new majors are as follows: Byrne A. Bowman, '24, Oklahoma City, staff judge advocate of an Infantry division at Fort Jackson, South Carolina; Frank O. Sollars, '40geo, Longview, Texas, at Shaw Field, South Carolina; Paul O. Buckholz, '34ba, '40ma, at the Las Vegas Guntery School in Nevada; Edward P. Allen, Jr., '38-'41, Oklahoma City, at the Army Air Field, Garden City, Kansas; Charles W. Stockton, '41bus, Oklahoma City, at Camp Hood, Texas; Donald W. Mackie, '36-'40, Bradford, Pennsylvania, at Camp Lee, Virginia; A. P. Callahan, '40eng, at Fort Sill; Adin H. Hall, '41eng, Ponca City, with the Ordnance at Texarkana, Arkansas, and Maynard Williams, '38law, Norman, at College Station, Texas.

Promoted to the rank of captain while on foreign duty were Jack G. Morgan, '35-'39, Walters; Robert K. Black, '35bus; Clifton L. Bell, '37ba, '37geo, Gray, Oklahoma; Milton J. Gordon, '38eng, Lester T. Mooney, '41, Temple, who holds the Silver Star for heroic action near Buna on New Guinea last fall, and Don Greer, '40-'41, Sentinel, in North Africa.

Newly promoted from second to first lieutenant were John L. Henry, '40-'41, Banner and Kay Wilson, Jr., '42law, Oklaha, both at the Enid Army Flying School; Forrest E. Doughty, '36, Martha, Camp Haan, California; Virgil C. Bennett, '37bus, Drummond, Tinker Field; Elmer Capshaw, '42sa, Norman, on maneuvers in Washington; John R. Runyan, '31-'37, on desert maneuvers near Camp Young, California; Carl M. White, '40-'41, Tulsa, Hammer Field, California; Thomas A. McCoy, '42sa, Tulsa, at Camp Hood, Texas, and Thomas Z. Wright, '34law, at Ellington Field, Texas. New first lieutenants on foreign service were H. Jack Kraetl, '40eng, Atchison, Kansas, and Joe Crenshaw, '42eng, Wichita Falls, Texas.

Promotions among non-commissioned men included Hal M. Stewart, '36bus, Muskogee, to master sergeant at Camp Gruber, and John L. Riddle, '38-'40, Madill, to staff sergeant at the Basic Flying
School at Greenville, Texas. Other new sergeants include Harry Ford, '40journ, Altus, photographer in England with the Air Force; James E. Choat, '37-'38, attached to a Station Hospital in India; Albert C. Hunt, Jr., '38-'40, Oklahoma City, with the Air Force in Africa; L. O. Addy, Jr., '42ed, at the Altus Army Air Base; Max Silverman, '31bus, Eufaula, at Camp Stoneman, California, and William F. Cope, '34fa, Branch, Arkansas, at Fort Benning.

Recently promoted to corporal were Robert Kirk, '41-'42, Muskogee, at Will Rogers Field; Harry N. Brunson, '39fa, Altus, overseas, and Charles P. Montgomery, '41-'42, Delaware, Oklahoma, at the Syracuse, New York, Army Air Base. Private first class stripes have been given to Tom Peters, '39, Shawnee, at Tinker Field; James H. Sneed, '29-'30, '33-'34, Ma-dill, with the Air Force Technical Training Command at Sioux Falls, South Dakota, and Elwood R. Crawford, '38-'40, Delaware, Oklahoma, a patient at the Percy Jones General Hospital in Battle Creek, Michigan.

Navy men receiving promotions recently include John Keisler, '35m.ed, Edmond, formerly on duty as chief petty officer at the Oklahoma City recruiting station, assigned to Columbia University in New York as lieutenant junior grade; William N. Greene, '41aw, Hugo, on duty in the Pacific, to lieutenant junior grade, and William S. Tenhagen, '41eng, Kansas City, Kansas, on sea duty, to full lieutenant.

In the Marine Corps, Tom R. Watts, '38fa, Oklahoma City, on duty at Portsmouth, Virginia, and William B. Oldfield, '39fa, Oklahoma City, in the Southwest Pacific, have been promoted to the rank of major. Major Oldfield holds the Order of the Purple Heart for wounds received on Guadalcanal. His brother, Maj. John F. Oldfield, '39bus, is with the Marines at Quantico, Virginia.

New Officers

Among alumni who received commissions last month were three commissioned directly from civilian life. They were Gordon Bierer, '21ha, Guthrie attorney, who was commissioned a captain in the Judge Advocate General's Department and assigned to Ann Arbor, Michigan, for training; Vance Lucas, '42med, Tulsa, commissioned a lieutenant junior grade in the Navy Medical Corps and assigned to the Navy Hospital at Charleston, South Carolina, and Roland F. Hughes, '26eng, '33 m.eng, Norman, commissioned a first lieutenant in the Signal Corps and stationed at Fort Monmouth, New Jersey, for training.

Of the twenty-three newly commissioned officers in the Army Air Force, seventeen received their wings from the advanced flying schools of the Gulf Coast Training Center in Texas. The men and the schools from which they graduated are Lt. Edwin D. Sunderland, '39-'41, Chickasha, Lub-

Commentary to Be Broadcast

1) The recent broadcast by WGN, Chicago, on the depression of nations. The people of the nations which do not want to accept and comply with just peace terms must be forced to do so if the world is to have lasting peace.

2) Besides the four basic freedoms outlined in the Atlantic Charter, the peace treaty must include, he said, guarantees of the right of the majority to rule in all nations, the right to reasonable access to the markets and natural resources of the world, and the protection of all nations against the aggressions of larger nations.

3) Dean Adams recommended that no monetary reparation payments be demanded of the Axis nations at the end of the war, as they would be impossible to pay and would merely cause endless international financial difficulties. He recommended instead that the defeated countries provide labor, capital goods, natural resources and territories for the rehabilitation of the now-conquered European nations.

Bizzell Recovering

President Emeritus W. B. Bizzell last month was recuperating in an Oklahoma City hospital following a heart attack in early May.

Physicians reported that Mr. Bizzell's condition was improving and that he would return to his home in Norman after several weeks. The attack occurred the weekend after commencement in which Mr. Bizzell had participated actively.

Commentary to Be Broadcast

A weekly commentary and analysis of world and national news by Cortez A. M. Ewing. University government professor, recently was added to the schedule of the state's educational station WNAD (640 kilocycles).

In addition to carrying the commentary, WNAD will continue to broadcast Mr. Ewing's class in the development of political thought three days a week. He will present the news analysis each Friday at 5:45 p.m.

Resumes of Ewing's comments will be prepared each week and sent to state newspapers. Subjects of the first two broadcasts were "Reciprocal Trade Agreements" and "The Poll Tax Bill." Time of the broadcast is 5:45 p.m. on Friday.

Teacher Aid Broadcast

Aid for Oklahoma teachers preparing for impending state examinations will be broadcast by the state's educational station WNAD in two 30-minute programs to be carried daily throughout June.

The programs, which will cover various subjects included on the state examinations, are the University of Oklahoma's contribution through WNAD to help remedy the widespread teacher shortage, Virginia Hawk, station director, said. This will be the first time direct aid has ever been given by any college station to state teachers, Miss Hawk said.

Co-operating in the broadcasts is the State Department of Education. Department officials have placed the current teacher shortage at approximately one-third.

Because of the terrific loss of teachers to the armed forces and war industries, war emergency teaching certificates will be granted to high school graduates, having less than 40 semester hours of college work, who have passed state examinations.

WNAD's programs, designed to aid new teachers who will fill vacancies next fall, will be broadcast twice daily from 5:00 to 5:30 p.m. and from 7:00 to 7:30 p.m. Subjects to be covered include arithmetic, English composition, federal government, English grammar, geography, Oklahoma history, physiology and hygiene, American history and agriculture.

In addition to passing state examinations, prospective teachers must also attend a two-week workshop under a new ruling of the State Department of Education. These workshops will be held during the summer at state colleges. The workshop at the University of Oklahoma is scheduled for June 7 to June 19.

Henryetta Debaters Win
