Homecoming November 16

A Big Football Show and Numerous Side Attractions Await Alumni Who Attend the 1940 Homecoming Events

November 16 is the date set this year for the Homecoming celebration of University of Oklahoma alumni and Sooner students. The football game will be with the Missouri Tigers who last year won the Big Six championship.

Following the traditional pattern for Homecoming, a program has been arranged that starts with a Homecoming Dinner-Dance in Oklahoma City on Friday night, November 15, and continuing Saturday with a parade in the morning at Norman and the football game in the afternoon, followed by a general reception for all alumni and friends in the Union Building.

The Oklahoma City Alumni Club, which sponsors the Dinner-Dance, has made arrangements to have the party in the Silver Glade room of the Skirvin Tower Hotel, beginning at 7 o'clock. The price this year for dinner and dance will be $1.20 per person, including tax—a substantial reduction from last year’s price. Bonnie Spencer’s Orchestra has been engaged to play for the dance.

Program arrangements were still tentative in mid-October but the usual plan of making the program short and informal and devoted chiefly to football talk will be followed, according to Joe Fred Gibson, 34, 36law, attorney in the office of the state insurance commissioner, who is president of the Oklahoma City Alumni Club.

The Oklahoma City Dinner-Dance, while sponsored by the Oklahoma City Club, is designed for all Sooner alumni, and those from outside Oklahoma City who plan to attend the Homecoming football game are urged to include the Dinner-Dance in their activities for the weekend, Mr. Gibson emphasized. Reservations may be made either through Mr. Gibson or other committee members in Oklahoma City, or through the Alumni office at the University which will have a supply of tickets.

Alumni, upon reaching Norman Saturday morning, are invited to register in the lobby of the Union Building and to make the Union Building their headquarters while on the campus. Alumni Secretary Ted Beard has appointed Herbert H. Scott, ’26, director of the University Extension Division, to be chairman of the Registration Committee which will greet alumni upon their arrival at the Union Building. Other members of the Registration Committee are: Dean A. B. Adams, C. Guy Brown, Dr. C. F. Daily, Wilda Griffin, Boyd Gunning, Mr. and Mrs. Frank Morris, Dr. Roy Hadseid, Stewart Hall, Ima James, J. F. Malone, and Dr. Maurice Merrill. Mrs. C. T. Langford of Norman is general chairman of the Reception and Open house to be held in the Union immediately after the Homecoming game. Norman alumni and faculty members will be on hand to welcome visiting alumni.

A special feature of Homecoming this year will be the first reunion ever held for members of President W. B. Bizzell’s Honor Classes for all the years beginning in 1931-32. Invitations have been sent to all members of the Honor Classes whose addresses were available, inviting them to attend a meeting beginning at 11 o'clock the morning of November 16 in the Woodruff Room of the Union Building.

Luncheon will be served at noon and the meeting will close promptly at 1:30 o'clock so that no one will be delayed in attending the football game. Reservations for the luncheon, which will cost 50 cents, should be made in advance through the Alumni office. Since Dr. Bizzell is to retire next June as president of the University he particularly desires to have as many as possible of his honor class students to meet with him Homecoming day. Tentative plans are being made to organize this alumni group for a permanent program of activity.

Alumni Secretary Beaird has been in correspondence with Bob Hill, Director of Alumni activities at the University of Missouri to complete arrangements for continuing the “traditional” Peace Pipe ceremonies for the Missouri-O. U. Game which were held last year for the first time. The idea calls for presentation of a Peace Pipe to the winning team each year.

Fraternities and sororities and other campus organizations will supply color and atmosphere for the Homecoming celebration in the Annual Homecoming Parade and by decorating their houses. Trophies will be awarded for the best fraternity float, the best sorority float, the best organization float and the best house decorations.

In judging the parade floats this year, special recognition will be given for originality and suitability rather than elaborateness of the decorations, in order to discourage expenditures for floats on a commercial basis.

Parade arrangements this year are in charge of the Ruf Neks, pep order which alternates annually with Scabbard and Blade in sponsoring the parade.

Annual Homecoming meeting of the Executive Board of the University of Oklahoma Association will be held at 11 o'clock the morning of Homecoming day in Room 120 Union Building.

According to custom of recent years, all chairmen of the Alumni Association’s Side Attractions Await Alumni Who Attend the 1940 Homecoming Events
ate professor of modern languages in the University, appeared in the quarterly issue of *Foreign Affairs* in October.

Dr. Oliver E. Benson, '32ba, '33ma, associate professor of government in the University, is author of an article "Behind the French Surrender," which appeared as the lead article in a recent issue of *Events*, a monthly review of world affairs.
