

10th mo 1870

12th 1st day Clear ~ Attended meeting Bible Class & School for the children, Some of the children are quite sick I think dangerously.

13th 2nd day Clear ~ Assisted in the Office & went to Apache Johns camp. It appears that the white people along the Red river have been making a great raid on the Indian camps for horses & have ~~driven~~ driven away many to what extent we know not at present. Since learned over 120

14th 3rd day Clear ~ Wrote home No 3 enclosure no grey.

Assisted in the Office.

15th 4th day Cloudy Rained a little both last night & today. Worked in the Office.

16th 5th day Showery ~ Went to the school & measured the boys in order for cutting their pantaloons.

Yesterday the Comanches came in making complaint that many of their horses had been run off into Texas, one man lost 120 head; there is no doubt but that they were stolen by people living along the frontier, as they were seen on the road to Texas, & some were brought back by a man in the Agents employ as a kind of scout & detective, Marshall & Co.

17th 6th day Cloudy ~ Worked in the Office, all day.

18th 7th day Clear ~ Worked in the Office.
