

repeat scripture. God is blessing us  
in this work and we hope that many  
very many boys and girls will find  
the way of life through our instrumentality.

I do hope and pray that Thomassy  
may get recover health, but if he  
should not I feel that he is ready  
when the Master calls. I wish  
to hear from him, how he is,  
will you please write, God bless you.  
Very Truly

After Thomassy was here I found out  
my people down in N. M. and recovered  
my Mexican name. Stayed with my  
people ~~shortly~~ <sup>while</sup> then come back here  
and will spend the rest of my days  
here, as I have all the Indian rights.
