Left camp 7 A.M. wagons folled the road to Pierceville. T
The command reached over high rolling prairies N. of the
road for about 18 miles and not finding water to water the
the animals I was ~~comp~~elled to march to the river. After
watering horses I marched in a N.E. direction back to the
hills after travelling 15 miles joined the wagons at Pierc-
eville at 2:30 P.M. and camped distance travelled by wagons
19 m 560 yds by the command 34 miles
