You told me about the ghost dance. Who first told the Dakota to wear ghost shirts?

When did this happen?

Where?

Do you know who told the people that the sacred ghost shirts would protect their lives?

When?

Where?

Do you know who has Sitting Bull's shield? They say someone got it when he died.

Is Mrs. Sitting Bull alive? What is her name? Where does she live now?

What is the meaning of the name Hewanjica?

You say that Shaved Head killed your uncle. Can you tell me about this? When and where it happened, and why? Please write on the back of this sheet, too.
