

The white men were going to make only one chief in the Bull band. Sterling Bear & Ironclaw was picked, each good man had a stake and the white man said to give the stake to the man he wanted. This was in '51 now they start these two men were in the center after they were all there they count the sticks an Sterling Bear got most - the Soldier counted S.B. and told him to get the Indian that killed the cow and him to the capt in a little while the soldier come back and ask for the man and the chief said he could not find him the man came & went horse 2 time. This was an inter. carrying message - the last trip he made he said the Soldier were coming if the man ~~was~~ was not turned in.

Two Herd, they were out fighting ~~the~~ 2 Herd was shot then they stop fighting they brought two herd a little ways then left them 2 Herd came home alone if night he ~~two~~ wanted to be left alone. 1847 - "Whole Creek" froze to death. whole Cr went hunting that evening a blizzard came the next day it cleared up - he told his parent where he was going so they go look for him they find his horse and then find the boy frozen.

1848 - no grass winter. The summer before the grass didn't grow much.

1849. - enemy came to hunting ground. The enemy were coming and saw the Sioux were going out to hunt 2 of the Sioux were ~~and~~ away from the bunch and one of ~~the~~ them got killed so they chase them and another Sioux was killed that was by Slim Butte.
