

Bush - earth - wild - if the cat
get out of your sight do other
way, they'll run & jump
under a pile of brush under
there, just like a cottontail

Those old fellows can sit by the
fireplace and look up the
chimney & see the crows
come home (hilly & crooked flaps)

Saw a house (that I was
School - house at first) with
lots of birds around 15 or 20
Asked a woman how soon
School would let out - She
curved me out of hearing

Prairie - Fire - Galena &
Wagon of cedar logs - 4000
miles & jumping & hot every
- So woke up just before first
reaching one - eyes sore
means head for 20 ft

high - matches wet - try
one after another - start
back fire (having let horses
go -) cut off from river,
and saw it couldn't
ride out - got on lee of
wagon - had burned -

wagon & cedars charred
- thoroughly but - of the that
always had water tight
match box - no gas

Went to millenary
Cotton trees last of June
at 10

Deep in Merri-go - with
Dog frolic - ponies & visit -
women - barefoot - come out -
pastor should get water - a
make fire - mungs for
water
