Gray Eagle Stealing Horses  
Summer after treaty with  
Red coats - '78.

R.C. told them not to steal horses -  
SB also made rules.

GC & Good Crow stole 100 horses <sup>from the breed  
ped River</sup>  
& SB ~~had~~ <sup>had</sup> 100 sold necessary to  
enforce law - sold, followed chased  
shooting over heads - GC & GC couldn't  
find all horses & chief had to make  
up deficit.

Old Bull believes - GC held grudge  
against SB for above -
