They were camping this side
of Powder R. The mummy and
Hunk papa was camping there
in the spring. With Hunk was
the leader about 30 more going
and they met some Hunk papa which
made about 50 together. When they
got close to the place W.B. and
some others sneek out and about
day light they saw 7 head of
horses W.B. and someone else
were together and Gray eagle
and shot the white man - turned
back - Woodpile was with W.B.
This was up by Rapid City
They were whites that attack
the whites started to shot after
they started a rope around
one of the horses neck caught
in a some rock and W.B.
cut the rope with his knife
and this horse was his
then it was a saral.
