raped it up. The announcer  
~~said~~ the camp would be there  
 some of the ~~said~~ women brought  
 their babies out and had to go  
~~after the~~ back after them  
 The medicine was made of  
 root and it was called "wounded  
 medicine"

W.B. said that was a great  
 battle and he liked it.  
 During the fight and after the  
 war the women folk were  
 crying so W.B.'s father was  
 surrounded not to cry out to  
 any.

There is some certain song  
 for the Sioux men that were  
 killed.  
 His father saved a song.  
 The man name to the stand on top  
 for whom his father sang.

407 The people call him F.S. out  
 and he was a brave man  
 but he is all gone now.  
 Sometimes they call him  
 F.S. out they got him for  
 a brave man but he is  
 gone now

S.B. said to W.B. that my nephew  
~~you~~ must be careful something  
 you may be killed!

S.B. was across the river  
 fighting W.B. heard, and did  
 not hear what S.B. did.

Indians have an argument  
 none say S.B. was with him.  
 Some say he was not there.

W.B. father was at home  
 watching after the women  
 and keeping them together.

W.B. father makes room was 50 then  
 most of the men were young in  
 this battle, only about 1/2 the men  
 present.

M.A. never did get in the fight  
 W.B. never saw jumping Bull  
 W.B. never saw in chief in  
 the fight

The way W.B. was dressed is on  
 the picture. #23 is the one where  
 he pulled the tail of the horse in  
 Custer fight.

All he had on was a shirt and  
 medicine #23 was the first thing  
 he did in the Custer fight.  
~~#23~~ #24 is better than #23  
 3rd fight when he got the  
 gun of Co
