Pic # 1.

These are the two he was telling about that he got at Rapid City.

2/6

When he came in he announced the he was "name to be known."

Pic # 2.

2/6

This is where he got the horse the day after the Custer fight and the teepees are Crow camps.

Pic # 30-

He has already told this story there was only one Sioux killed was Bad Hair non-Mendepa Broken leg was shot at the foot.

Pic # 30

2/6

just before Bad Hair was shot he said he knew who the captain is and was going to teach the captain so W.A. was going after him and was going out in front and stopped him and sent him home by pumping bull and told his father to take care of him the Indians were leaving when the raiders attacked but they did not have to

Surround

leave anything at home, after they came off this side of the river and they went to come on the other side killed over and ask if _____ was there and they said yes and they would like to come over and see these fellows by the name of white wanted to sell him but wanted him to ride down the river on a boat and some of his _____ uncles were going down

2/6

After they came to the agency then men went up and wanted them all to stand in a row and they asked W.A. for his gun and then all for them to turn in their guns. The soldiers were talking and they marched in front of them and the Captain came out and ten Indians was with him and an interpreter and he told them that the ten Indians were going to get their guns back the Captain
