Between yellow stone and thick timber on Beaver Creek they were camping W.B. was leader and it was about August here was 3 on the party he went off to get horses from clay went along. He first ask Bull to go but he does not want to. W.B. had to loan his gun and cartridges to Z.C. to get him to go they were going toward the black hills. They are going and they get to a house they had the horse tied to the wagon at was about 9 o'clock at night and he rode up on horse back. She afraid had halter on and but there was short rope ~~and they were~~ out they were not tied so W.B. drove them away and Z.C. was waiting at the edge of the forest so they went back after them.

he gave one of the horses to Iron Clowser.

Following 31, This was right after they came back from the 31. Their camp was the other side of Slim Buttes and after they left the soldiers came and took some prisoners.

S.B. was camping at Grand Pas that time W.B. started from S.B.'s camp.

W.B. wanted to go hunting and went by for one Bull W.B. had to load.

Cheney, Sansark, Hunt, Paper and Uglala, were moving west. S.B. boy had been killed by a horse and they stopped there awhile.

I.B. & W.B. went where Rapid City is now. They start alone where they get to Rocky the met S. Sansark. They were there and they saw some horse and I.B., W.B., and Cheney but he turned back and I.B. made the charge for the horse and they start shooting and W.B. get by a target and found out he would have to move.
