

to catch him W.B. stopped
and stopped him by twisting
his neck ~~and~~ and W.B. yelled
for help but no one would come
down W.B. wanted them to
hang him.
While he was holding the
Buff he was thinking what
to do because he had on
Blanket strap on with a belt
and so he decided to twist his
head toward the other men
what he was going to do and
holding the Buff with one
hand slipped the belt with
the other dropped the shawl and
ran for a cliff. When he
was about there the men
started yelling for him the
place where he was

this was at the head of a creek
where a woman broke her leg.

after he got away he scolded
the two men because he
tried to get help and when
B got some more arrow around
and he went after the buff.
when he brought the buff
it started at ~~the~~ W.B.

W.B. ran up a tree and the
Buff stood down at the
bottom of the tree. W.B. took a
good shot at her and sunk the
arrow up to the feathers the
man that aimed the arrow got
the hole and the meat was
divided into 3 parts.
