

to visit they stop when they could.  
 see the camp the men dressed up  
 like they were going to war with  
 another man lead.

2 fastest lead & 6 men follow  
 2 by 2, the first time they go there  
 fast yelling & shouting & driving  
 around each camp once then  
 they come back slow & by that time  
 all the folks

### Why dress for war

The reason they dressed up in war  
 the poor men that are killed they  
 say there is a poor man & if he  
 is well dressed they would know  
 that he was a good man.

They dress up a man when he is  
 killed is because the clothes are his.

The Indians fell braver when  
 they are dressed up.
