Mr Campbell,

Dear sir

Friend I think I am filling in your questions you send me, before the first question you send me. You told me I and my Interpreter will get our pay. I just wanted to remind you that.

We are all getting along fine. Hope this will find you the same.

I am answering all your questions sending in with this letter.

This is all I am going to say. Oh yes I am willing to go out with you to the battle ground if you care. I wanted to asked you a question. Of course I know what flag was taking from Gen. Custer but I don't remember how many. This is what I want to know. Also in the Company came in before Custer's fight. Well friend I shake hands with you all.

From

Your friend,

Chief Joseph White Bull
