Cherry Creek. So. Dak. March 20.1936.

Professor W.S. Campbell: University of Oklahoms. Norman. Oklahoma.

Dear Sir;

I have answered your questions as I have seen it and know it. I have taken part in the prayers and the medicine making.

I will be here at Cherry Creek. all summer. As I have no other place to go. So when you come you will find me at the same eld cabin.

I lost my wife last fall in October. so I am alone in this world.

Yours Truely
