Chief Joseph White Bull  
Cherry Creek, South Dakota

Dear friend:

I want to ask you two questions I forgot about  
the fight when you saved Hairy Hand. Please answer them for me  
as soon as you can.

Yours friend,

W. S. Campbell.

On separate sheet:

First -- Do you know the names of any men now living who took part in that  
fight? If so, what are they and what tribes do they belong to?

Second -- Please write the names of the Chiefs who were in that fight where  
you saved Hairy Hand, and the names of your relatives and friends  
who were there that day? I want as many as you can remember.
