Kola you promise to pay at first keep on answer question like this I am afraid we'll get little pay.

The day before you saved Hairy Hand, there was another fight near Fort C. F. Smith, north of where you were a long ways. The Indians attacked the soldiers in a brush corral not far from the fort. Do you know about this fight? The white men call it the Hayfield Fight. Did you ever hear of this fight?

I don't know they had a fight day before. I was in only two fights I have told you.
