

you gave away, how old you were, and where you did it. Also why you did it, and all about the whole story. You can write on both sides of this paper.

This woman was jealous of me. She don't treat me nice. One time she took my shirt, leggins and shoes away from me and then she grab me by my hair, pull lot of my hair. She sure hurt me lot and that's the reason I want to devorce her so I did. Her name was (oh y sna win) (Rattling Trail) and her younger sister with her name was (Wanbli la) Eagle Woman. I gave both away.

Their both sisters. I was 24 years old at the time.

19. You told me that in fight on Arrow Creek, a man named Plenty Lice (His Many Lice) was killed. Was he killed before Sitting Bull went out to smoke with you in front of the soldiers, or after that?

Plenty Lice was killed before sunrise and after sunrise about 8 o'clock is when we had that smoking party.

20. Was Plenty Lice killed near the soldier lines, or where the Indians were lined up?

He was killed near the soldiers line.

21. Was Plenty Lice shot off his horse, or was he afoot when they killed him?

He was shot off his horse.

22. I want to know all about how Plenty Lice was killed, and where his body was.

After the fighting was over we saw a fire was build. After every thing was over they want to see where Plenty Lice lays. They find out that he was burned up in that fire.

23. What Indians were killed in this fight on Arrow Creek? Who many? What were their names.

Plenty Lice was the only one killed, of course there is some wounded but they die about it.

24. What Indians were wounded at the fight at Arrow Creek? How many? Whatwere their names? Where was each one hit?
