

High Hawk was hit in his Right hip just barely hitted.

High Hawk was hit just below his left shoulder.

Long hold and three of his men were hit. Three of them the bullet didn't go through and one man was hit in the neck. The bullet went through his neck, this was (Leading Him) he was all right again.

Another were Long Holly, With Horn and Isna wasan mica.

25. The white men say that two Indians were killed in this fight and 10 wounded, some so they would die. Is this true or not.

No.

26. In this fight on Arrow Creek who was the first to be hit?

Plenty Lice

Who was second?

High Hawk Rosbud Indian

Who was third?

High Hawk Minkowojie

Who was fourth.

Long Holy

Who was fifth?

Leading Him

Who was sixth.

Isna wasanni ca or Take the Bread

Who was seventh? and so on//

With Horn there few more wounded but I don't remember as they are not wounded severely. Though I saw Two Crow was going in center so they shot his horse down and (Crazy Horse) was also his horse was killed to.

What men had horses shot under them that day?

This were the only two horse I saw killed I mention above, it's pretty hard to tell everything when a big crowd like this on a fight.
