

Q. I was glad to get the pictures of your horses. Are those horses you used to have?

A. Yes

Q. How many have you got now?

A. What I seen now is 25 head. It should be more but that's all we seen lately.

Q. How many horses is the most you have had at one time?

A. At one time I had 111 head.

Q. How old were you when you had all those horses at one time?

A. At the time I was 51 years old.

I had a running horse at the time she was called Seven Miles. At one time they had a three mile race but my horse Seven Miles took the first prize. Another time they had a two mile race my horse Seven Miles took the first prize. This is one of the horses I raised.
