

These are the questions I wish you to answer about the fight in which you saved Hairy Hand.

1. You say the Indians sent some scouts forward to lead the soldiers away from the fort. What were the names of these scouts? To what tribe did they belong?

High Back, Lone or One Bear, Red Bear, Eat Meat. Two of these I don't remember, but of these is (Marpiya To) Indian, Red Bear is a Cheyenne Indian, (Lone Bear, Oglagla) (High Back Minkowojie) Eat Meat, part oglala and part Hosbud, I remember the one scout I didn't remember. His name is Thunder Hawk-Minkowokie.

2. You say the Indians followed these scouts down and found some soldiers in a tent. You say the Indians killed two soldiers there. What were the names of the Indians who went with you to this tent? What tribe did they belong to?

(Oglala Chief Crazy Horse) (Red Bear Sausark) (Egle Thunder Oglala) (Painted Brown Oglala) (Has ith Horse Minkowojie)
This is all I could mention their names as there is lot of them went with me.

Bear in Mind that the Oglala Agencies were the best estate and the best known. It gave such into as was had and later R. C. traveler and was associated with all the wars for that reason he was a speaker, C. H. a man of action.

3. The white men say that the Indians ran off their herd of cattle and horses that day. Did you capture any horses?

No, I didn't capture anything at all.

Do you know the names of any Indians who captured horses that day?

No, I can't remember. There is a lot of them.
