

after this man hit him
 he wanted to do something
just again. They reached
 the enemy and the enemy
 were on foot and put the
 Sioux back and one was a
 leader W. B. knocked down
 this enemy leader
 after he knocked this man down
 he started to leave and there
 was two ditches the first he
 jumped all right but the
 second he was thrown from
 his horse and W. B.'s horse
 ran to the enemy they
 were 3 more Sioux. Hit the
 crow that wasnt dead with
 enemy axes - catch the
 Bear (was on foot) Little's
 woman was the other to
 strike

White Buffalo

after the 3rd man hit, the enemy
 had gotten close to W. B. and
 W. B. hit him again with a
 knife (saber)

The enemy had something
 on his back and he let it
 go and it was a white Buffalo
 hide and that is the name
 of that winter fit

when they opened the hide
 they found some bones and
 they let the hide go but W. B.
 heard that someone brought
 the hide home

19 Eagle Dog gave W. B. the
 sword when W. B. was 19 yrs
 old

W. B. whipped men when he
 was a soldier to keep men
 in line. - He was one of the
 soldiers when Crazy Hand
 hit him. When they got
 back they found out
