

When one of the other society had a party they are to go over there and all the people know who they are and are there order and they watch out for them and they wait for him to eat and on his way ~~to~~ he finds some root and that the med man show them what kind of root and when he get to the party they have some hot water there and he puts the root in the water ~~and~~ four times and the woman would think that that would stop the bleeding she ~~was~~ is kept in a tent out side of where W.B. goes

Paints ?

Another order.

They use yellow paint all over their face and then touch it with black paint.

This paint they allow no one to use.

The ~~se~~ ~~is~~ ~~blue~~ & yellow mixed touched here and the *

The ~~3~~ ~~rd~~ the paint the face red and draw a white line from one corner of their mouth around their forehead to the other corner.

They use a piece of Buck skin spread out already.

W.B. never saw any 4 pointed stars

The ~~4~~ ~~th~~ they used on wopati

They used black paint all over and a ~~man~~ in white paint on their forehead and a star on the right cheek.
