

They went early the next morning and they saw a man go to the willow thickets. Some of the Sioux started for the man but W.B. and others started to the smoke Hill Wood headed off the horses that were coming toward the camp and some of the men came out and shot at W.B. but missed him.

Hill Wood is ~~the~~ the meaning of Bro.

after W.B. captured the horses the two men that shot left their horses and walked into the forest.

after a while one of the men yelled out and one of the men was shot. It was White Bear and King man was both shot with the same bullet it hit King man!

on the shore White Bear was killed. They fought these men because they were killing buffalo they ~~found~~ struck fire in the camp.

W.B. never heard of any White Bear crackers and killing Indians.

after the man reports that the two men were shot.

W.B. saw King man and ash were the dead man was and he told him he was over there.

under a tree so W.B. got a man to help him and they dug him out and look well he was shot and they found out ~~he~~ he was not dead yet and he came alive and lived. after they had taken him away in the schaul. He was shot in the side and come out below his hip.
