6th fite

Same place later - crows  
across + shoot each other across  
water -

Late afternoon - Bunch sitting  
on shore + bunch of crows came to  
water horses + we shot at them -  
the bullets just reaching - Crows  
scared + more <sup>thier</sup> big camp upstream  
- last they saw - Crows came in  
morn + left the same evening -

after crows left that we - some  
of S.B. band swam across, followed  
+ stole some crow horses + returned -

~~S.B. went + gave orders - not fitting.  
W.B. didn't go.~~

only few went after horses

some of few are:

Stall horses
