

after smoke - SB. ^{took stick, &} ~~started~~ cleaned pipe then walked home slow. -
Red ran back & soe forged arrows & W.B. ~~took~~ went back & got them -

this counted more than counting coup - most brave deed possible.

SB. had a charm? - Doesn't ~~no~~ about this time but SB. generally had medicine in ~~bag~~ bag, for charm.

after SB. returned to the crowd he called out "That's enuf we must quit, that's enuf."

Crazy Horse asked me to make another circle toward sold & CH. led & UB followed - many were wounded - CH's horse shot so & as he was not far from Ind. he got off & ran in. - W.B. horse not hit.

CH dressed? - never braided hair - painted white spots on faces - had only 1 spear - no feathers on head - had white shirt & leggings -

Ever see CH's horsehide, red cape? - Doesn't ~~no~~

Crazy Horse little shorter ^{than UB.} & slimmer build. - light complexion - a rather serious man & didn't talk very much or loud -

SB. too mouthy - but didn't brag about himself - but always advising others of how to act in war. -

was this reason for jealousy? - after married SB. not so brave as before & seemed to cool down - this marriage - Gray Eagle sister
